The smartphone preview displays the app's home screen. At the top, there's a pink header with the text '影像藝術展覽' and a refresh icon. Below it, a post from '10602 影像藝術' is shown with 0 likes. A second post from the same user is visible, featuring a portrait of a man and the text '106 影像藝術' and '求真樓 K302A'. The bottom of the screen shows a '2 minutes ago' timestamp and a Facebook icon.

# LiveAlbum

The image displays the LiveAlbum app editor interface on the left and a mobile device preview on the right. The editor interface includes a top navigation bar with the text "swiftic" and "影像藝術展覽", and buttons for "Discard", "Save", and "Done Editing". The main editor area is divided into sections: "App Features" (containing "My App Features 4" with icons for Photos, Facebook, LiveAlbum, and Contact Us), "Feature name" (with a text input field containing "LiveAlbum"), a warning message "You can post photos only from your mobile app. From your mobile site, this feature is read-only.", "Content" (with a red dashed box around an album card titled "期末展覽" with "0 photos" and "Edit" and "View Photos" buttons), and "Design" (with a "+ Create Album" button and "Choose Existing Album" text). The mobile device preview shows the app's user interface with a purple header "影像藝術展覽", a pink album card "期末展覽" with "0 photos" and "Album is empty" text, and a background image of a red ice cream cone.
